	1999-2006 FXST / FLST (SOFTAIL) (HYDRAULIC CLUTCH) TRIKE OR 2 WHEELER				✓							✓			
	2007-CURRENT FXST / FLST (SOFTAIL) (HYDRAULIC CLUTCH) TRIKE OR 2 WHEELER					✓						✓			
	2007-CURRENT FXST / FLST (SOFTAIL) (HYDRAULIC CLUTCH) WITH 2 INTO 1 PYTHON EXHAUST (REQUIRED FOR MOTOR TRIKE SOLID AXLE KIT)						✓							✓	
	2009-2013 FLH TG (TRI GLIDE) (STANDARD CLUTCH)			✓											
	2014 FLH (STANDARD & HYDRAULIC CLUTCH) TRIKE OR 2 WHEELER							✓							
	2015-CURRENT FLH (STANDARD CLUTCH (ROAD KING ONLY)) TRIKE OR 2 WHEELER							✓							
	2015-CURRENT FLH TG (TRI GLIDE) (HYDRAULIC CLUTCH)								✓						
2015-CURRENT FLH (HYDRAULIC CLUTCH (ALL TOURING EXCEPT ROAD KING)) TRIKE OR 2 WHEELER								✓							

IMPORTANT NOTES:

Find the motorcycle model that best describes your bike in the left column, then follow the row to find the "CHECK MARK" that indicates what Motor Trike parts are required. Motor Trike part numbers are listed in the top row in red. Drag Specialties part numbers are in blue. All selections assume that the motorcycle has stock exhaust pipes unless otherwise noted. It is up to the customer/installing dealer to determine if the reverse gear will fit their particular aftermarket exhaust pipes. Front handle and rear handle reverse gears can be interchanged on six speed bikes to fit aftermarket exhaust. Contact Motor Trike technical support for details.
